Dated as of October 22, 2024

PROXY SOLICITATION

This Management Information Circular (this “**Circular**”) is furnished in connection with the solicitation by management of Westgold Resources Limited (“**Westgold**” or the “**Company**”) of proxies to be used at the Annual General Meeting (the “**Meeting**”) of the shareholders of the Company (the “**Shareholders**”), to be held at 12:00 p.m. (Perth time) on November 28, 2024, which corresponds to 8:00 p.m. (Vancouver time) on November 27, 2024, and at any adjournments thereof, for the purposes set forth in the notice of the Meeting (the “**Notice**”) and explanatory memorandum to Shareholders (“**Explanatory Memorandum**”) and collectively with the Notice, the “**Notice of Meeting**”) accompanying this Circular. The Meeting will be held at the Conference Centre, Exchange Tower, Level 8, 2 The Esplanade, Perth, Western Australia.

It is expected that the solicitation will be made primarily by mail or telephone, but proxies may also be solicited personally by directors, officers or regular employees of the Company. Such persons will not receive any extra compensation for such activities. All costs of solicitation of proxies by management will be borne by the Company.

The information contained herein is given as of October 22, 2024, unless otherwise noted.

All monetary amounts are disclosed in Australian dollars unless expressly stated otherwise.

This Circular describes the matters to be acted on at the Meeting and the procedures for attending or appointing proxies to vote at the Meeting.

VOTING INFORMATION

If your name appears on the certificate representing your fully paid Shares of the Company (“**Shares**”), you are a registered shareholder of the Company (a “**Registered Shareholder**”).

Your Shares may be registered not in your name but in the name of an intermediary (which is usually a bank, trust company, securities dealer or stockbroker, or a clearing agency in which such an intermediary participates). If Shares are listed in an account statement provided to you by a broker, then it is likely that those Shares are not registered in your name, but under the broker’s name or under the name of a depository (such as The Canadian Depository for Securities Limited), the nominee for many Canadian brokerage firms. If your Shares are registered in the name of an intermediary or a nominee, you are a non-registered, or beneficial, shareholder (a “**Non- Registered Owner**”, “**beneficial owner**” or “**beneficial shareholder**”).

There are two kinds of Non-Registered Owners: (i) those who object to their name being made known to the issuers of securities which they own, known as objecting beneficial owners (“**OBOs**”); and (ii) those who do not object to their name being made known to the issuers of securities which they own, known as non-objecting beneficial owners (“**NOBOs**”).

In accordance with section 250JA of the *Corporations Act 2001* (Cth) (the “**Corporations Act**”) of Australia, the Company has determined that each vote on the business to be conducted at the Meeting will be conducted by way of a poll. As such, each Shareholder is entitled to one vote on each resolution for each Share held by such Shareholder.

MEETING MATERIALS

Notice-and-Access

To reduce printing and mailing costs, the Company has elected to use the "notice-and-access" provisions under NI 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (the “**Notice-and-Access Provisions**”) to deliver the 2024 management proxy circular, management’s discussion and analysis and the consolidated annual financial report of the Company for the financial year ended June 30, 2024, and other materials (collectively, the “**Meeting Materials**”) for the shareholder meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials which are mailed to shareholders by allowing a reporting issuer to post an information circular in respect of a meeting of its shareholders and related materials online. Instead of receiving printed copies of the Meeting

Materials, you will receive a notice (the "**Notice-and-Access Notification**") with information on the meeting date, where it is being held and when, as well as information on how you may access the meeting materials electronically.

The Company will not use procedures known as "stratification" in relation to the use of the Notice-and-Access Provisions, meaning that both registered and beneficial shareholders will be mailed the Notice-and-Access Notification directing them to those websites where they can access the Meeting Materials and other relevant information. If you receive the Notice-and-Access Notification and would like to receive a paper copy of the Circular and other relevant information, please follow the instructions printed on the Notice-and-Access Notification and the materials will be mailed to you. All materials will be forwarded to Shareholders at the Company's expense.

The Company does not intend to pay for intermediaries to forward the Notice-and-Access Notification to OBOs. Consequently, an OBO will not receive the Notice-and-Access Notification unless the OBO's intermediary/broker assumes the cost of delivery.

ACCESSING THE MEETING

Shareholders and duly appointed proxies can attend the Meeting in person.

Voting at the Meeting will only be available for Registered Shareholders and duly appointed proxies. Non-Registered Owners who have not been appointed as proxies may attend the Meeting in person but may not vote or submit questions.

Registered Shareholders and duly appointed proxyholders can vote at the appropriate times during the Meeting. Guests, including beneficial shareholders, can physically attend the Meeting but are not able to vote or submit questions.

Shareholders who wish to appoint a third-party proxy to represent them at the Meeting **must submit their form of proxy or voting instruction form (as applicable) prior to registering their proxy for attendance at the Meeting.**

All persons attending the Meeting in person are asked to arrive at least 15 minutes prior to the start of the Meeting so that their shareholding may be checked against the register of members of the Company maintained by the applicable registry, their proxy, power of attorney or appointment as corporate representative verified (as applicable) and their attendance noted.

If you have any questions or need more information about voting your Shares, please contact the Company's Canadian transfer agent, Computershare Investor Services Inc, by calling 1-800-564-6253 (toll free within North America).

APPOINTMENT AND REVOCABILITY OF PROXIES

CANADIAN REGISTERED SHAREHOLDERS

If you are a Canadian Registered Shareholder, you can vote your Shares at the Meeting. Your vote can be cast in person and counted at the Meeting. If you wish to vote at the Meeting, do not complete or return the form of proxy included with this Circular. If you do not wish to attend or vote at the Meeting, you should complete and deliver a form of proxy in accordance with the instructions given below.

Appointment of Proxy

A form of proxy is enclosed and, if it is not your intention to attend or vote at the Meeting, you are asked to sign, date and return the form of proxy as set out below. The persons named in the enclosed form of proxy are directors or officers of the Company. **A Shareholder has the right to appoint a person (who need not be a Shareholder of the Company), other than the persons designated in the enclosed form of proxy, to attend and vote for and on behalf of the Shareholder at the Meeting. Such right may be exercised by striking out the names of the persons designated in the enclosed form of proxy and by inserting in the blank space provided for that purpose the name of the person to be appointed or by completing another proper form of proxy. Make sure that the person you appoint is aware that he or she is appointed and attends the Meeting in order for your vote to count.**

A Shareholder entitled to attend and vote at the Meeting may appoint an individual or a body corporate as a proxy. If a body corporate is appointed as a proxy, that body corporate must ensure that it appoints a corporate representative in accordance with section 250D of the Corporations Act to exercise its powers as proxy at the Meeting.

A Shareholder may appoint up to two proxies and specify the number or proportion of votes each proxy may exercise. If the Shareholder does not specify the number or proportion of votes to be exercised, each proxy may exercise half of the Shareholder's votes.

Unless the appointment states otherwise, the proxy may exercise all of the powers that the appointing body could exercise at a general meeting or in voting on a resolution.

The form of proxy must be executed in writing or by electronic signature by the Shareholder or his or her attorney duly authorized in writing or, if the Shareholder is a corporation, by instrument in writing executed (under corporate seal if so required by the rules and laws governing the corporation) by a duly authorized signatory of such corporation. If the proxy is executed by a duly authorized attorney or authorized signatory of the Shareholder, the proxy should reflect such person's capacity following his or her signature and should be accompanied by the appropriate instrument evidencing such person's qualifications and authority to act (unless such instrument has been previously filed with the Company or Computershare Investor Services Inc.).

The appointment of a proxy or proxies does not preclude a Shareholder from attending and voting at the Meeting. In these circumstances, if the Shareholder votes, their proxy or proxies are not entitled to vote.

Shareholders should consider how they wish their proxy to vote – that is, whether they wish their proxy to vote “For” or “Against”, or to “Abstain” from voting on, a particular resolution, or whether to leave the decision to the appointed proxy after discussion at the Meeting.

If a Shareholder does not instruct their proxy on how to vote, their proxy may vote (or abstain from voting) as they see fit at the Meeting (subject to any applicable voting exclusions).

Shareholders entitled to vote on the resolutions at the Meeting who return their form of proxy but do not nominate a proxy will be taken to have nominated the chair of the Meeting ("**Chair of the Meeting**" or "**Chair**") as their proxy to vote on their behalf. If the form of proxy is returned, but the nominated proxy does not attend the Meeting, the Chair of the Meeting will act in the place of the nominated proxy and vote (or abstain from voting) in accordance with the instructions on the form of proxy. If the appointment of the proxy specifies the way the proxy is to vote on a particular resolution, the Chair of the Meeting is not named as the proxy, a poll has been called on the resolution and the proxy attends the Meeting but does not vote on the resolution, then the Chair of the Meeting will act in the place of the nominated proxy and vote (or abstain from voting) in accordance with the instructions on the Proxy Form.

If a Shareholder has appointed the Chair of the Meeting as their proxy and the Shareholder does not give any voting instructions for Resolutions 1 and 5 to 8 (inclusive) as set out below, then by returning the Proxy Form they will be expressly authorizing the Chair of the Meeting to exercise the proxy as the Chair of the Meeting sees fit in respect of that item of business, even though such resolutions are connected directly or indirectly with the remuneration of the Company's key management personnel.

Depositing or Mailing Proxy

Forms of proxy to be exercised at the Meeting on behalf of Canadian Shareholders must be mailed to or deposited with the Company's registrar and transfer agent in Canada, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, such that they are received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) prior to the commencement of the Meeting or any adjournment thereof, in default of which they may be treated as invalid.

Shareholders who wish to appoint a third-party proxy to represent them at the Meeting **must submit their form of proxy or voting instruction form (as applicable) prior to registering their proxy.**

Without a control number, proxyholders will not be able to vote at the Meeting.

A form of proxy is valid only at the meeting in respect of which it is given or any adjournment of that meeting.

Voting by Internet

If you are a Canadian Registered Shareholder, go to <http://www.investorvote.com> and follow the instructions. You will need your control number (located on the form of proxy) to identify yourself to the system. You must submit your vote by no later than **8:00 p.m.** (Vancouver time) on November 25, 2024 or 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time and day of any adjourned meeting. If you vote by Internet, DO NOT mail back the proxy.

Voting by Telephone

A registered Shareholder may vote by telephone (within North America) by calling toll free 1-866-732-VOTE (8683) and following the instructions provided. Shareholders will require the 15-digit control number (located on the form of proxy) to identify themselves to the system.

Deadline for submission of proxies

All Shareholders must submit their votes by no later than **8:00 p.m.** (Vancouver time) on November 25, 2024, which corresponds to **12:00 p.m.** (Perth time) on November 26, 2024, respectively, or 48 hours (excluding Saturdays, Sundays and holidays) before the time and day of any adjourned meeting.

Jointly Held Shares

If any Share is jointly held, only one of the joint holders is entitled to vote at the Meeting. If more than one Shareholder votes in respect of a jointly held Share, only the vote of the Shareholder whose name appears first on the Register will be counted.

Voting Exclusion

The Voting Exclusion Statements set out below will apply in relation to Resolutions 1 and 5 to 8 (inclusive) which related to remuneration of certain of the Company's key management personnel. There are no voting exclusions with respect to Resolutions 2 to 4 (inclusive) which relate to the election of Directors, Resolution 9 which relates to proportional takeover provisions and Resolution 10 which relates to the appointment of the auditor of the Company.

CANADIAN NON-REGISTERED OWNERS OR BENEFICIAL SHAREHOLDERS

Beneficial shareholders should be aware that only Shareholders whose names appear on the share register of the Company are entitled to vote at the Meeting. The purpose of the procedures described below is to permit beneficial shareholders to direct the voting of the Shares they beneficially own in accordance with NI 54-101. There are two categories of beneficial shareholders. Beneficial shareholders who have provided instructions to an intermediary that they do not object to the intermediary disclosing ownership information about them are considered to be NOBOs. Beneficial shareholders who have objected to an intermediary providing ownership information are OBOs.

These securityholder materials are being sent to both Registered Shareholders and Non-Registered Owners of the Shares. If you are a Non-Registered Owner, and the Company's agent has sent these materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By the Company choosing to not send these materials to you directly, the intermediary holding the Shares on your behalf has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. In addition, OBOs and other beneficial holders receive a voting instruction form ("**VIF**"), from an intermediary by way of instruction of their financial institution. Detailed instructions of how to submit your vote will be on the VIF.

Voting Procedure for Canadian Beneficial Shareholders

Intermediaries (which are usually banks, trust companies, securities dealers or stockbrokers, or clearing agencies in which such an intermediary participates), which are the registered holders of Shares, can only vote the Shares if instructed to do so by the beneficial owners. Every intermediary has its own mailing procedure and provides its own instructions. You should consider and follow the instructions which your intermediary provides to you (or which are otherwise contained in the contract between you and your intermediary). Typically, a beneficial owner will be given a VIF, which must be completed and signed by the beneficial owner in accordance with the instructions provided by the intermediary. The purpose of such VIF is to give the intermediary permission on how to vote on behalf of or otherwise represent the beneficial owner at the Meeting. A beneficial owner cannot use the VIF to vote or otherwise represent Shares at the Meeting.

The majority of intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Solutions (“**Broadridge**”). Broadridge mails the VIFs to the beneficial owners as of the beneficial ownership determination date and asks the beneficial owners to return the VIFs to Broadridge. Broadridge then tabulates the results of all VIFs received from beneficial owners as of the beneficial ownership determination date respecting the Shares to be represented at the Meeting. The VIF must be returned to Broadridge in advance of the Meeting as per the instructions on the VIF in order to have the Shares voted or otherwise represented at the Meeting.

Voting by Internet, Telephone or Facsimile

If you are a beneficial shareholder and have been provided with a VIF from your intermediary, you may be given the option of submitting your voting instructions by telephone or facsimile – follow the instructions on the VIF. You will likely also be able to submit your voting instructions by Internet by accessing the URL or web address as provided in the VIF, entering the control number that appears on the VIF, indicating your vote on each resolution and selecting “final submission”. Any such vote is an instruction to your intermediary as to how you wish to vote. It is not a vote cast by you at the Meeting.

Your vote **must be received by 8:00 p.m.** (Vancouver time) on November 25, 2024, which corresponds to **12:00 p.m.** (Perth time) on November 26, 2024, or 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time and day of any adjourned meeting. If you vote by Internet, DO NOT mail back the proxy or the VIF.

Beneficial shareholders should follow the instructions on the forms they receive and contact their intermediaries promptly if they need assistance.

REVOCAION OF PROXIES AND VOTING INSTRUCTION FORMS FOR CANADIANS

A Canadian Registered Shareholder who executes and returns a form of proxy may revoke it to the extent it has not been exercised by depositing a written instrument executed by that Registered Shareholder or its attorney or by transmitting by telephonic or electronic means a revocation that is signed by electronic signature, or, if the Registered Shareholder is a corporation, by written instrument executed (under corporate seal if so required by the rules and laws governing the corporation) by a duly authorized signatory of that corporation:

- (a) with the Company’s registrar and transfer agent, Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, at any time up to the close of business on the last business day prior to the Meeting, or any adjournment thereof;
- (b) electronically with the Company, provided that the revocation is received by the Chair of the Meeting on the day of the Meeting, or any adjournment thereof, at any time prior to a vote being taken in reliance on such proxy; or
- (c) in any other manner permitted by law.

A beneficial shareholder may revoke a voting instruction or may revoke a waiver of the right to receive meeting materials or a waiver of the right to vote given to an intermediary at any time by written notice to the intermediary, except that an intermediary

is not required to act on any such revocation that is not received by the intermediary well in advance of the Meeting. The proxy deadline may be waived or extended by the Chair of the Meeting, in his sole discretion without notice.

An Australian Registered Shareholder who executes and returns a form of proxy may revoke it by either notifying the proxy of that fact or attending and voting at the Meeting. The proxy deadline may not be changed by the Chair of the Meeting for Australian Registered Shareholders.

VOTING AND DISCRETIONARY AUTHORITY

The proxyholders named in the accompanying form of proxy shall and will vote the Shares represented thereby on any poll in accordance with the Shareholder's direction set forth in the proxy, unless the proxyholder has two or more appointments that specify different ways to vote on the resolution and the vote occurs on a show of hands. **THE CHAIR OF THE MEETING INTENDS TO VOTE UNDIRECTED PROXIES, ABLE TO BE VOTED, IN FAVOUR OF ALL THE RESOLUTIONS. IN EXCEPTIONAL CIRCUMSTANCES, THE CHAIR OF THE MEETING MAY CHANGE HIS/HER VOTING INTENTION ON ANY RESOLUTION, IN WHICH CASE AN AUSTRALIAN SECURITIES EXCHANGE ("ASX") ANNOUNCEMENT AND A CANADIAN DISSEMINATED PRESS RELEASE WILL BE MADE. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters as may properly come before the Meeting or any adjournments thereof.** At the date of this Circular, management of the Company knows of no amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If amendments, variations to matters identified in the Notice of Meeting or if other matters properly come before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote in accordance with their judgment on such matters.

Accordingly, transactions registered after that time will be disregarded for determining which Shareholders are entitled to attend and vote at the Meeting.

In accordance with NI 54-101, Canadian beneficial shareholders as of October 15, 2024 (the “Canadian Record Date”) are entitled to receive notice of the Meeting and to provide instructions to vote at the Meeting.

A simple majority of votes cast are required to approve all ordinary resolutions to be submitted to a vote of Shareholders at the Meeting.

Unless otherwise required by law, every question coming before the Meeting shall be determined by a majority of votes duly cast on the matter by way of a poll.

Proxies returned by intermediaries as “non-votes” because the intermediary has not received instructions from the beneficial shareholder with respect to the voting of certain Shares or, under applicable regulatory rules, the intermediary does not have the discretion to vote those Shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Shares represented by such intermediary “non-votes” will, however, be counted in determining whether there is a quorum.

Pursuant to the constitution of the Company (the “**Constitution**”), a quorum for the Meeting is two voting Shareholders. Each individual present may only be counted once toward the quorum. If a Shareholder has appointed more than one proxy or representative, only one of them may be counted toward the quorum.

This Circular contains non-IFRS financial measures and ratios such as All-in Sustaining Cost (“**AISC**”). These measures are mainly derived from the financial statements of the Company but do not have any standardized meanings prescribed by the IFRS and, therefore, may not be comparable to similar measures presented by other companies. These non-IFRS financial measures and ratios, which are representative of the Company’s performance, are used to determine the executive compensation.

STATEMENT OF EXECUTIVE COMPENSATION

Unless otherwise noted, the following information is for the Company’s last completed financial year which ended June 30, 2024, and since the Company had one or more subsidiaries during that year, is disclosed on a consolidated basis. The information (as set out in the Annual Report for the financial year ended June 30, 2024 (the “**Remuneration Report**”)) has been audited pursuant to section 308(3C) of the Corporations Act. All monetary amounts are disclosed in Australian dollars unless expressly stated otherwise. Unless otherwise noted, all dates in the Remuneration Report refer to the date and day in Perth, Western Australia.

Certain figures included in the Remuneration Report have been rounded for ease of presentation. Percentages and other figures included in the Remuneration Report have not in all cases been calculated on the basis of such rounded figures but on the basis of such figures prior to rounding. For this reason, percentages and other figures in the Remuneration Report may not sum due to rounding.

In compliance with section 300A of the Corporations Act and National Instrument 51-102 - *Continuous Disclosure Obligations*, the Remuneration Report covers key management personnel (“KMP”) including Named Executive Officers (“NEO”) for the purposes of Canadian securities laws, who were actively employed by the Company as at the end of the most recent financial year (June 30, 2024).

KMP is defined as “those persons having authority and responsibility for planning directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of Westgold”. NEOs of the Company means each of the following individuals:

- (a) the Chief Executive Officer (“CEO”) of the Company or each individual who acted in a similar capacity for any part of the most recently completed financial year;
- (b) the Chief Financial Officer (“CFO”) of the Company or each individual who acted in a similar capacity for any part of the most recently completed financial year;
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with applicable law at the end of that financial year; and

(b) Remuneration Philosophy & Approach

The objective of Westgold's executive remuneration program and strategy is to attract, retain and motivate talented executives and provide incentives for executives to create sustainable shareholder value over the long term, by driving a performance culture that is closely aligned to the achievement of the Company's strategy and business objectives.

To achieve this objective, executive remuneration is designed and based on the following principles:

- competitive and reasonable, enabling the Company to attract and retain high caliber talent;
- aligned to the Company's strategic and business objectives;
- transparent and easily understood, supporting the ease of communication and employee engagement; and

- acceptable to Shareholders, supporting the creation of Shareholder value.

The Company's approach to remuneration ensures that remuneration is competitive, performance-focused, clearly links appropriate reward with desired business performance and is simple to administer and understand by executives and Shareholders.

In line with the Company's remuneration policy, remuneration levels are reviewed annually to ensure alignment to the market and the Company's stated objectives to provide a base level of remuneration which is both appropriate to the position and is competitive in the market.

Westgold's remuneration structure for executives provides for a combination of fixed and variable pay. In accordance with the Company's objective to ensure that executive remuneration is aligned to the Company's performance, a portion of the executive's remuneration (being, the short-term incentives and long-term incentives) is placed "at risk."

(c) External Advice

To ensure the RNC is fully informed when making remuneration decisions, it may seek external, independent remuneration advice on remuneration related issues. In January 2024, the RNC engaged The Reward Practice Pty Ltd ("**Reward Practice**") to undertake a benchmarking exercise and review the existing remuneration arrangements of the Company's KMPs including Non-Executive Directors against relevant market data. No remuneration recommendation was made in relation to this work. Fees paid in connection therewith totaled \$10,000. The RNC did not engage any other external providers of remuneration advice during the financial year ended June 30, 2024.

(d) Compensation Peer Group Selection and Benchmarking

When developing and implementing compensation packages for KMPs, it is standard practice to benchmark total compensation for KMPs against a peer group of companies at similar stages of development, operations, regional geography and of similar size in terms of market capitalization and revenue.

In order to implement market-competitive compensation arrangements for the executives, the RNC, in consultation with Reward Practice, identified a peer group of mining companies with similar operations. For the financial year ended June 30, 2024, the RNC approved the following compensation peer group that includes 23 similarly sized publicly-traded mining peers that are generally within 500,000x to \$3,500,000x of the Company's market capitalization and/or total revenues:

(e) Elements of Executive Remuneration

As in the prevailing practice in the mineral exploration and mining industry, remuneration of the NEOs is comprised of three components:

- Fixed Remuneration – Fixed remuneration comprises of a base salary, superannuation and other applicable non-monetary benefits. The fixed remuneration component is designed to reward for the scope of the executive's role, skills, experience, qualifications and individual performance taking into account competitive market compensation paid by other companies in the Company's industry for similar positions and the overall market demand for such executives at the time of hire. A NEO's base salary will also be determined by reviewing such NEO's other compensation to ensure that such NEO's total compensation is in line with the Company's overall compensation policy. Base salaries are to be reviewed annually and increased for merit reasons, based on the NEO's success in meeting or exceeding individual objectives, and taking into account prevailing market conditions. Additionally, the Company may adjust base salaries as warranted throughout the year for promotions or significant changes in the scope or breadth of a NEO's role or responsibilities.

- Short-Term Incentives ("**STI**") – All NEOs have the opportunity to earn an annual incentive, or STI, award which is delivered in cash after the assessment of annual performance which is based on a combination of specific key performance indicators ("**KPIs**") chosen to reflect the core drivers of short-term performance and provide a framework for delivering sustainable value to the Westgold consolidated group ("**Westgold Group**") and Shareholders. The STI award is determined after the end of the financial year following a review of performance over the year against the STI performance measures by the RNC. The Board approves the final STI award based on this assessment of performance and the award is paid in cash up to three months after the end of the performance period. In FY24, the short-term incentive dollar value that NEOs were entitled to receive as a percentage of their fixed remuneration was required not to exceed 100% for the Managing Director and 60% for all other executives. In the event of a change of control of Westgold, a pro-rata cash payment will be made based on an assessment of performance up to the date of the change of control (subject to Board discretion). When a NEO ceases to be an employee of the Westgold Group:
 - due to resignation or termination for cause, before the end of the financial year, no STI incentive will be awarded for that year; or
 - due to redundancy, ill health, death or other circumstances approved by the Board, the NEO will be entitled to a pro rata cash payment based on an assessment of performance up to the date of ceasing employment for that year,

unless otherwise determined by the Board.

- Long-Term Incentives ("**LTI**") – NEOs are also eligible to receive LTI, in the form of performance rights convertible into Shares upon the satisfaction of certain vesting conditions ("**Performance Rights**"), under the Westgold Plan (defined below) to align remuneration with the creation of Shareholder value over the long-term. In FY24, the long-term incentive dollar value that NEOs are entitled to receive as a percentage of their fixed remuneration must not exceed 150% for the Managing Director, 80% for all other executives. In FY24, the number of Performance Rights granted was determined based on individual fixed remuneration, applicable LTI opportunity and a 5-day volume weighted average price ("**VWAP**") up to June 30, 2023.

When a NEO ceases to be an employee of the Westgold Group:

- due to resignation or termination for cause, then any unvested Performance Rights will automatically lapse on the date of the cessation of employment; or
- due to redundancy, ill health, death or other circumstances approved by the Board, the NEO will generally be entitled to a pro rata number of unvested Performance Rights based on achievement of the performance measures over the performance period up to the date of cessation of employment,

unless otherwise determined by the Board.

In FY24, the Performance Rights issued to NEOs will vest and become exercisable into Shares subject to the following conditions:

- continued employment during the three year period from July 1, 2023 to June 30, 2026; and
- performance conditions which comprise of growth in relative total shareholder return, growth in absolute total shareholder return, growth in absolute earnings per share and ore reserve growth.

The Company believes that Performance Rights will allow the Company to reward NEOs for their sustained contributions. The Company also believes that Performance Rights reward continued employment by a NEO, with an associated benefit to the Company of employee continuity and retention. The Board believes that equity-based incentive awards, such as Performance Rights, provide management with a strong link to long-term corporate performance and the creation of shareholder value.

(f) 2024 Executive Performance Metrics and Incentives

The measures chosen has been intentionally selected as they can be reliably measured, are key drivers of value for Shareholders and encourage behaviours in line with Westgold's core values.

Remuneration Philosophy and Approach

The objective of Westgold's executive remuneration program and strategy is to attract, retain and motivate talented executives and provide incentives for executives to create sustainable shareholder value over the long term, by driving a performance culture that is closely aligned to the achievement of the Company's strategy and business objectives.

To achieve this objective, executive remuneration is designed and based on the following principles:

- competitive and reasonable, enabling the Company to attract and retain high caliber talent;
- aligned to the Company's strategic and business objectives;
- transparent and easily understood, supporting the ease of communication and employee engagement; and
- acceptable to shareholders, supporting the creation of shareholder value.

The Company's approach to remuneration ensures that remuneration is competitive, performance-focused, clearly links appropriate reward with desired business performance and is simple to administer and understand by executives and Shareholders.

In line with the Company's remuneration policy, remuneration levels are reviewed annually to ensure alignment to the market and the Company's stated objectives to provide a base level of remuneration which is both appropriate to the position and is competitive in the market.

The Company's fee policy for Non-Executive Directors is designed to attract and retain high caliber directors who can discharge the roles and responsibilities required in terms of good governance, strong oversight, independence and objectivity. The Company's constitution and the official listing rules of the ASX ("**Listing Rules**") specify that the Non-Executive Director fee pool limit, shall be approved periodically by Shareholders. The last determination was at the Annual General Meeting of Shareholders on November 26, 2021 with an aggregate fee pool of \$750,000 per year. The amount of the aggregate remuneration sought to be approved by Shareholders and the manner in which it is paid to Non-Executive Directors is reviewed annually against comparable companies. The Board also considers benchmarking data when undertaking the review. Non-Executive Directors are

encouraged to hold Shares in the Company and align their interests with the Company's Shareholders. The Shares are purchased by the Non-Executive Directors at the prevailing market Share price.

Remuneration Arrangements for Non-Executive Directors

The remuneration of Non-Executive Directors consists of director's fees. There is no scheme to provide retirement benefits to Non-Executive Directors other than statutory superannuation. Non-Executive Directors do not participate in any performance-related incentive programs. Fees paid to Non-Executive Directors cover all activities associated with their role on the Board and any sub-committees. Non-Executive Directors are entitled to fees or other amounts as the Board determines where they perform special duties or otherwise perform extra services on behalf of the Company. They may also be reimbursed for out-of-pocket expenses incurred as a result of their directorships.

CORPORATE GOVERNANCE MATTERS

The Company's Board of Directors and senior management consider good corporate governance to be central to the effective and efficient operation of the Company.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires each reporting issuer to disclose on an annual basis its approach to corporate governance. The Company's corporate governance disclosure is set out in Schedule A to this Circular.

The Company understands that corporate governance standards and requirements are continually evolving. The Board has been charged with the responsibility of monitoring corporate governance regulatory developments and with reviewing the Company's corporate governance policies and procedures in light of these developments.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Management of the Company is not aware of any material interest, direct or indirect, of any proposed nominee for election as a director or of any person who is or has been at any time a director or executive officer within the last financial year or any associate or affiliate of any of the foregoing in any matter, other than the election of directors or the appointment of the auditors, to be acted upon at the Meeting, except as disclosed in this Circular.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Management of the Company is not aware of any material interest, direct or indirect, of any “informed person” of the Company, insider of the Company, proposed director, person who has been a director or executive officer within the last financial year or any associate or affiliate of any of the foregoing in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company, except as disclosed within this Circular. An “informed person” means (i) a person who has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year, (ii) a proposed nominee for director, (iii) a

director or executive officer of a person or company that is itself an informed person or subsidiary of the Company, (iv) any person or company who beneficially owns or controls or directs, directly or indirectly, voting securities of the Company or a combination of both carrying more than 10% of the voting rights attached to all outstanding voting securities of the Company, (v) the Company, in the event that it has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any such securities and (vi) any associate or affiliate of the foregoing.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

(a) Financial Reports

The first item deals with the presentation of the consolidated annual financial report of the Company for the financial year ended June 30, 2024, together with the Directors' declaration and report in relation to that financial year and the Auditor's Report on the financial report. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the accounts and on the management of the Company.

The Chair will also give Shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to:

- (a) the conduct of the audit;
- (b) the preparation and content of the independent audit report;
- (c) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the Auditor by the Company in relation to the conduct of the audit.

The Chair will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act. Written questions may be submitted no later than five business days before the Meeting to the Company Secretary at c/o Westgold Resources Ltd, Level 6, 200 St Georges Tce, Perth, WA, 6000 or by email to investor.relations@westgold.com.au.

The audited financial statements of the Company for the financial year ended June 30, 2024, together with the director's and the auditors' report thereon, will be placed before the Shareholders at the Meeting for consideration by the Shareholders. These audited financial statements have been approved by the Board and have been mailed to the Shareholders who have requested them with the Meeting Materials. They are also available under the Company's SEDAR+ profile at www.sedarplus.ca.

(b) RESOLUTION 1 – Non-Binding Resolution to Adopt Remuneration Report

To consider and, if thought fit, to pass the following resolution as a non-binding resolution:

"That the Remuneration Report for the year ended 30 June 2024 as set out in the 2024 Annual Report be adopted."

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's 2024 Annual Report be adopted. The Remuneration Report is set out in the Company's 2024 Annual Report and is also available on the Company's website (<https://www.westgold.com.au/>).

The vote on this Resolution is advisory only and does not bind the Directors or the Company.

However, if at least 25% of the votes cast are against adoption of the Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second Annual General Meeting ("**Spill Resolution**"), to approve calling a general meeting ("**Spill Meeting**"). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second Annual General Meeting. All of the Directors who were in office when the applicable Directors' Report was approved, other than the Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The remuneration report for the financial year ended June 30, 2023 did not receive a vote of more than 25% against its adoption at the Company's last annual general meeting held on November 23, 2023. Accordingly, if at least 25% of the votes cast on this Resolution are against adoption of the Remuneration Report it will not result in the Company putting a Spill Resolution to Shareholders.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any equity-based compensation.

The Chair will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Voting Exclusions

The Company will disregard any votes cast on the Resolution by or on behalf of a member of the key management personnel (as defined in the Accounting Standards as that term is defined in the Corporations Act) ("**Key Management Personnel**") whose remuneration details are included in the Remuneration Report, or their closely related parties (as that term is defined in the Corporations Act) ("**Closely Related Parties**"). However, the Company need not disregard a vote if:

- (a) it is cast by a person as a proxy appointed by writing that specifies how the proxy is to vote on the proposed Resolution or the proxy is the Chair of the Meeting and the appointment of the Chair as proxy does not specify the way the proxy is to vote on the resolution and expressly authorises the Chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel; and
- (b) it is not cast on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties.

Further, a Key Management Personnel and their Closely Related Parties as at the date of the Meeting (a "**Restricted Voter**") who is appointed as a proxy will not vote on the Resolution unless:

- (a) the appointment specifies the way the proxy is to vote on the Resolution; or
- (b) the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Shareholders should note that the Chair intends to vote any undirected proxies in favour of the Resolution. In exceptional circumstances, the Chair may change their voting intention on any resolution, in which case an ASX announcement will be made and a Canadian disseminated press release will be made.

Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If any of the persons named above purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and those persons may be liable for breaching the voting restrictions that apply to them under the Corporations Act.

(c) RESOLUTIONS 2 THROUGH 4 – Election of Directors

Rule 6.1(f) of the Constitution provides that an election of Directors must take place each year.

Majority Voting Policy

The rules of the TSX, which became effective December 31, 2012, require a listed issuer to disclose in the materials sent to its Shareholders for a meeting at which directors are to be elected whether or not it has adopted a majority voting policy and, if not, to explain why it has not adopted such a policy in its meeting materials. A majority voting policy generally requires that a director tender his or her resignation if the director receives more “withheld” votes than “for” votes at any meeting where Shareholders vote on the uncontested election of directors. An “uncontested election” means the number of director nominees for election is the same as the number of director positions on the Board. A majority voting policy does not apply in the event of a contested election of directors.

The Company qualifies as an “eligible international interlisted issuer” as defined under the TSX Company Manual and, accordingly, has applied for and received an exemption under Section 401.1 of the TSX Company Manual which relates to director elections and annual meetings. The Company intends to rely on this exemption in respect of Sections 461.1 to 461.4 (*Director Elections*) and 464 (*Annual Meetings*) which includes, among other things, the requirement for a majority voting policy and full slate director elections on an annual basis.

The enclosed Form of Proxy allows Shareholders to direct proxyholders to vote individually for each of the nominees for election as directors named below.

Resolution 2 – Re-Election of Mr. David Kelly as a Director

Pursuant to rule 6.1(f) of the Constitution and for all other purposes, Mr. David Kelly, being a Director, retires by way of rotation and, being eligible, offers himself for re-election as a Director.

Rule 6.1(d) of the Constitution provides that the Directors may at any time appoint a person to be a Director, either to fill a casual vacancy, or as an addition to the existing Directors, but so that the total number of Directors does not at any time exceed the maximum number specified by the Constitution. Board recommendation

The Company confirms it has conducted appropriate checks into Mr. Leigh Junk's background and experience and those checks have not revealed any information of concern.

Based on Mr. Leigh Junk's relevant experience and qualifications, in particular Mr. Leigh Junk's mining industry experience including in executive management and operational roles, the members of the Board, in the absence of Mr. Leigh Junk, support the election of Mr. Leigh Junk as a director of the Company.

Resolution 4 – Election of Ms. Shirley In't Veld as a Director

Resolution 4 seeks approval for the election of Ms. Shirley In't Veld as a Director with effect from the end of the Meeting.

Rule 6.1(d) of the Constitution provides that the Directors may at any time appoint a person to be a Director, either to fill a casual vacancy, or as an addition to the existing Directors, but so that the total number of Directors does not at any time exceed the maximum number specified by the Constitution. Any Director so appointed holds office only until the next following Annual General Meeting and is then eligible for election but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Ms. Shirley In't Veld having been appointed by the Board on August 1, 2024, retires from office in accordance with the requirements of rule 6.1(e) of the Constitution and submits herself for election in accordance with rule 6.1(i) of the Constitution.

Information Relating to Bankruptcies, Cease Trade Orders and Sanctions

To the knowledge of the Company, no proposed director and no personal holding company of any proposed director is, at the date hereof, or has been, within 10 years before the date hereof, a director, chief executive officer or chief financial officer of any company (including the Company) that (a) while that person was acting in that capacity, was subject to a cease trade order, a similar order or an order that denied the issuer access to any exemption under securities legislation, which order, in each case, was in effect for a period of more than 30 consecutive days, or (b) was subject to any such order that was issued after that person ceased to be a director chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Except as set out below, to the knowledge of the Company, no proposed director and no personal holding company of any proposed director, is, as at the date hereof, or has been with 10 years before the date hereof, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to

act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangements or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. Julius Matthys was a director and chief executive officer of Quintis Ltd, when it appointed administrators in 2017, and when it entered into administration in 2024.

Honorable Cheryl Edwardes AM was a director of Kalium Lakes Limited when it entered into voluntary administration on August 3, 2023, following which administrators were appointed, and was a director of Blue Sky Alternative Investments Limited which entered into administration in May 2019.

To the knowledge of the Company, no proposed director and no personal holding company of any proposed director, has, within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or became subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold his, her or its assets.

To the knowledge of the Company, no proposed director and no personal holding company of any proposed director: (a) has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority; or (b) since December 31, 2000, has entered into a settlement agreement with a securities regulatory authority or, before January 1, 2001, entered into a settlement agreement with a securities regulatory authority which would likely be important to a reasonable investor in making an investment decision; or (c) has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making investment decision.

Securities Held by Nominees

As at the date of the Circular, the interests of the proposed Directors in the Equity Securities of the Company were:

Director	Shares	Performance Rights
David Kelly	10,000	-
Leigh Junk	3,197,928	-
Shirley In't Veld	324,177	-

(d) RESOLUTION 5 – Grant of Performance Rights to Mr. Wayne Bramwell (or his nominee(s))

To consider and, if thought fit, to pass the following resolution as an ordinary resolution:

"That, for the purposes of Listing Rule 10.14 and for all other purposes, the Directors are authorised to issue up to 500,483 Performance Rights for no consideration, with each Performance Right having a nil exercise price and an expiry date of June 30, 2029, to Mr. Wayne Bramwell (or his nominee(s)), on the terms and conditions set out in the Circular (including Schedule B and Schedule C to the Circular)."

Background

The Company proposes to grant a total of up to 500,483 Performance Rights (each with a nil exercise price and an expiry date of June 30, 2029) to Mr. Wayne Bramwell (or his nominee(s)) under the Westgold Plan adopted by shareholders at the 2022 annual general meeting held on November 25, 2022.

A summary of the terms of the Performance Rights is set out in Schedule B to this Circular.

The Company qualifies as an "eligible interlisted issuer" as defined in the TSX Company Manual and, accordingly, is permitted to use the exemption under Section 602.1 of the TSX Company Manual (the "**602.1 Exemption**"). As an "eligible interlisted issuer", the Company has applied for and received the 602.1 Exemption from Section 613 (*Security Based Compensation*

Arrangements) thereof, which relates to security-based compensation arrangements. The Company intends to rely on this exemption for the grant of Performance Rights to Mr. Wayne Bramwell (or his nominee(s)).

Related Party Transactions Generally

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- (a) the giving of the financial benefits falls within one of the nominated exceptions in sections 210 to 216 of the Corporations Act; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit and the benefit is given within 15 months after obtaining such approval.

For the purposes of Chapter 2E of the Corporations Act, Mr. Wayne Bramwell is a related party of the Company.

Resolution 5 relates to the proposed grant of Performance Rights to Mr. Wayne Bramwell (or his nominee(s)), which is a financial benefit that requires Shareholder approval for the purposes of section 208 of the Corporations Act.

Shareholder approval is not being sought for the purposes of section 208 of the Corporations Act on the basis that the benefits are considered by the Board (in the absence of Mr. Wayne Bramwell) to constitute reasonable remuneration and therefore, the exception in section 211 of the Corporations Act applies to Resolution 5. Section 211 of the Corporations Act provides that Shareholder approval is not required for the purposes of section 208 of the Corporations Act in circumstances where the benefit constitutes remuneration which would be reasonable given the Company's and the related party's circumstances.

Valuation of Performance Rights

The Company's independent advisers have valued the Performance Rights to be granted to Mr. Wayne Bramwell (or his nominee(s)) using a combination of a Monte Carlo simulation and trinomial lattice option pricing model. The value of a Performance Right calculated by this valuation method is a function of several variables. The valuation of the Performance Rights has been prepared using the following assumptions (as at the valuation date of October 3, 2024):

Variable	Input
Share price	\$2.490
Exercise price	Nil
Risk Free Rate (based on the Australian Government 3-year bond yield)	4.120%
Volatility	55.9%
Expiry	30 June 2029
Value	LTI 1 – RTSR: \$1.623 LTI 2 – ATSR: \$1.441 LTI 3 – AEPS: \$2.429 LTI 4 – Ore Reserve Growth: \$2.429

Based on the assumptions, it is considered that the estimated value of the Performance Rights to be granted to Mr Wayne Bramwell, or his nominee(s), is between \$1.441 and \$2.429 per Performance Right (as noted above), with a total estimated value of approximately \$991,206 for all 500,483 Performance Rights the subject of this Resolution.

Any change in the variables applied in the valuation method between the date of the valuation and the date the Performance Rights are granted would have an impact on their value.

Information Requirements – Listing Rules 10.14 and 10.15

Listing Rule 10.14 provides that the Company must not permit any of the following persons to acquire equity securities (as defined in the Listing Rules) ("**Equity Securities**") under an employee incentive scheme:

- a director of the Company (Listing Rule 10.14.1);
- an Associate of a director of the Company (Listing Rule 10.14.2); or
- a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX’s opinion, the acquisition should be approved by its Shareholders (Listing Rule 10.14.3),

unless it obtains the approval of its Shareholders.

The proposed grant of Performance Rights to Mr. Wayne Bramwell (or his nominee(s)) falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under and for the purposes of Listing Rule 10.14.

If Resolution 5 is passed, the Company will be able to proceed with the issue and grant of Performance Rights to Mr. Wayne Bramwell (or his nominee(s)) as noted above.

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of Performance Rights to Mr. Wayne Bramwell (or his nominee(s)) and the Company may need to consider alternative ways to remunerate Mr. Wayne Bramwell, including by the payment of cash.

The following further information is provided to Shareholders for the purposes of Listing Rule 10.15:

- (a) Mr. Wayne Bramwell is a Director of the Company and is therefore a Listing Rule 10.14.1 party;
- (b) up to 500,483 Performance Rights are proposed to be granted to Mr. Wayne Bramwell (or his nominee(s)) as noted above;
- (c) Mr. Wayne Bramwell is a Director of the Company, whose total remuneration package for the current period, being the financial year ending June 30, 2025, is as set out below:

Salary p.a. (A\$) inclusive of superannuation	Maximum value of short term incentive – cash (A\$)	Maximum value of long term incentive - Performance Rights (A\$)	Maximum total Financial Benefit (A\$)
830,000	830,000	991,206	2,651,206

- (d) as at the date of the Circular, 1,145,774 securities have previously been issued to Mr. Wayne Bramwell under the Westgold Plan and the average acquisition price paid by Mr. Wayne Bramwell for those securities was nil;
- (e) a summary of the material terms and conditions of the Performance Rights is set out in Schedule B to this Circular;

- (f) Performance Rights are being used as the Board (in the absence of Mr. Wayne Bramwell) considers that Performance Rights encourage Mr. Wayne Bramwell to have a greater involvement in the achievement of the Company's objectives and to provide an incentive to strive to that end by participating in the future growth and prosperity of the Company through Share ownership. Under the Company's current circumstances, the Directors (in the absence of Mr. Wayne Bramwell) consider that the incentives intended for Mr. Wayne Bramwell represented by the grant of these Performance Rights are a cost effective and efficient means for the Company to provide a reward and an incentive, as opposed to alternative forms of incentive, such as the payment of additional cash compensation;
- (g) as noted above, the Company's independent advisers have valued the Performance Rights using a combination of a Monte Carlo simulation and trinomial lattice option pricing model. Based on the assumptions set out above it is considered that the estimated value of the Performance Rights to be granted to Mr Wayne Bramwell (or his nominee(s)) is between \$1.441 and \$2.429 per Performance Right, with a total estimated value of approximately \$991,206 for all 500,483 Performance Rights the subject of this Resolution;
- (h) the Performance Rights will be granted shortly after the Meeting and, in any event, on a date which will be no later than 3 years after the date of this Meeting;
- (i) the Performance Rights will be granted for no cash consideration;
- (j) a summary of the material terms of the Westgold Plan is set out in Schedule C;
- (k) no loan will be made to Mr. Wayne Bramwell in relation to the grant of the Performance Rights;
- (l) details of any securities issued under the Westgold Plan will be published in the annual report of the Company relating to a period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14;
- (m) any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Westgold Plan after this Resolution is approved and who were not named in this Notice will not participate until approval is obtained under that rule; and
- (n) a voting exclusion statement applies to Resolution 5 as set out in the Notice.

Voting Exclusions

The Company will disregard any votes cast in favour of the Resolution by or on behalf of:

- (a) Mr. Wayne Bramwell (or his nominee(s)) and other persons referred to in Listing Rule 10.14.1, 10.14.2 or 10.14.3 who are eligible to participate in the employee incentive scheme in question or their nominee(s); or
- (b) an Associate of those persons.

However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:

- (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on the Resolution; and
- (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Further, a Restricted Voter who is appointed as a proxy will not vote on the Resolution unless:

- (a) the appointment specifies the way the proxy is to vote on the Resolution; or
- (b) the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Shareholders should note that the Chair intends to vote any undirected proxies in favour of the Resolution. In exceptional circumstances, the Chair may change their voting intention on any resolution, in which case an ASX announcement will be made and a Canadian disseminated press release will be made.

Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If any of the persons named above purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and those persons may be liable for breaching the voting restrictions that apply to them under the Corporations Act.

Directors' Recommendation

The Directors who have no interest in the outcome of Resolution 5 (that is, all Directors excluding Mr. Wayne Bramwell) recommend that Shareholders vote in favour of Resolution 5. Mr. Wayne Bramwell declines to make a recommendation about Resolution 5 as he may have a material personal interest in the outcome of that Resolution as it relates to the proposed grant of Performance Rights to him or his nominee(s).

The Board is not aware of any other information that would reasonably be required by the Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 5.

(d) RESOLUTION 6 – Approval of potential termination benefits in relation to Performance Rights granted to Mr. Wayne Bramwell (or his nominee(s))

To consider and, if thought fit, pass the following Resolution as an ordinary resolution:

“Subject to the passing of Resolution 5, that for the purposes of sections 200B and 200E of the Corporations Act, and for all other purposes, the potential termination benefits in relation to the Performance Rights described in the Circular (including Schedule B and Schedule C to the Circular) which may become payable to Mr. Wayne Bramwell (or his nominee(s)), be approved.”

Background

Subject to the passing of Resolution 5, for the purposes Part 2D.2 of the Corporations Act, and for all other purposes, Shareholder approval is sought to approve the giving of potential termination benefits which may become payable to Mr. Wayne Bramwell in relation to the Performance Rights the subject of Resolution 5, on the terms and conditions in this Circular. If Resolution 5 is not approved at the Meeting, this Resolution will be of no effect.

Subject to the passing of Resolution 5, up to 500,483 Performance Rights are proposed to be granted to Mr. Wayne Bramwell (or his nominee(s)). A summary of the material terms of the Performance Rights are set out in Schedule B to this Circular.

Pursuant to the terms of the Performance Rights and the Westgold Plan, the Company has a discretion, subject to the Listing Rules and any applicable laws, to determine how vested and unvested Performance Rights held by Mr. Wayne Bramwell (or his nominee(s)) will be treated.

The terms of the Performance Rights and the Westgold Plan (as summarised in Schedule B and Schedule C to this Circular) provide that any unexercised Performance Rights (vested or unvested) will lapse on Mr. Wayne Bramwell ceasing to be employed by the Company. However, the Board has discretion in these circumstances to determine:

- (a) that the Performance Rights do not immediately lapse and remain on foot; or
- (b) to reduce or waive conditions to the Performance Rights in whole or in part at any time and in any particular case.

The exercise of this discretion by the Board in the above circumstances may constitute a “benefit” for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board’s discretion in respect of the Performance Rights the subject of Resolution 5.

The Company is relying on the 602.1 Exemption in respect of this Resolution 6.

Part 2D.2 of the Corporations Act

Part 2D.2 of the Corporations Act restricts the benefits that can be given to persons who hold a “managerial or executive office” (as defined in the Corporations Act), or persons who have in the 3 years before their termination held a managerial or executive office, on leaving their employment or office with the Company or any of its related bodies corporate, unless an exception applies.

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate if it is approved by shareholders under section 200E of the Corporations Act or an exemption applies.

Section 200B of the Corporations Act applies to managerial or executive officers of the Company or any of its subsidiaries, which includes Mr. Wayne Bramwell.

The term "benefit" has a wide operation and would include the exercise of Board discretion for any unexercised Performance Rights not to lapse upon termination or cessation of employment in accordance with their terms and the Westgold Plan.

Accordingly, Shareholder approval is sought for the purposes of section 200E of the Corporations Act to allow the Company to deal with the Performance Rights upon termination or cessation of employment of Mr. Wayne Bramwell in accordance with terms and conditions of the Performance Rights, where to do so would involve giving a “benefit” to Mr. Wayne Bramwell in connection with him ceasing to hold a managerial or executive office.

The approval under Resolution 6 is sought in relation to the Performance Rights proposed to be granted to Mr. Wayne Bramwell (or his nominee(s)) under Resolution 5.

The value of any benefit relating to the Performance Rights given in connection with Mr. Wayne Bramwell ceasing to hold managerial or executive office cannot presently be ascertained at this time. Nevertheless, for the purposes of Resolution 5, the Company’s independent advisers have valued the Performance Rights and based on the assumptions of that valuation (as at the valuation date), the maximum value would be the amount per Performance Right set out in Section (d) "*Valuation of Performance Rights*" above.

The matters, events and circumstances that will, or are likely to, affect the calculation of the actual value of any benefits at the time they may crystallise are:

- (a) the number of unvested Performance Rights held by Mr. Wayne Bramwell (or his nominee(s)) prior to termination or cessation of Mr. Wayne Bramwell’s employment;

- (b) whether the vesting conditions are waived or (if not waived) met, and the number of vested but not exercised Performance Rights held by Mr. Wayne Bramwell (or his nominee(s)) prior to termination or cessation of Mr. Wayne Bramwell's employment;
- (c) the market price of the Company's Shares on ASX on the date Shares may be issued to Mr. Wayne Bramwell (or his nominee(s)) upon exercise of the Performance Rights.

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

Consequences of passing Resolution 6

If Resolution 6 is passed, the Company will be able to give termination benefits upon the exercise of the above discretion with respect to the Performance Rights to Mr. Wayne Bramwell (or his nominee(s)) in connection with Mr. Wayne Bramwell ceasing to hold managerial or executive office in accordance with the terms of the Performance Right and rules of the Westgold Plan.

If Resolution 6 is not passed, the Company will not be able to give termination benefits to Mr. Wayne Bramwell (or his nominee(s)) unless the Company obtains future Shareholder approval under section 200E of the Corporations Act for the giving of the particular termination benefit or another exemption to the restriction in section 200B of the Corporations Act applies.

The Chair intends to vote all available proxies in favour of Resolution 6.

Voting Exclusions

The Company will disregard any votes cast in favour of the Resolution by or on behalf of:

- (a) Mr Wayne Bramwell; or
- (b) an associate of Mr Wayne Bramwell.

However, this does not apply to a vote cast in favour of the Resolution by a person as proxy appointed in writing that specifies how the proxy is to vote on the Resolution and it is not cast on behalf of Mr Wayne Bramwell or an associate of Mr Wayne Bramwell.

Further, a Restricted Voter who is appointed as a proxy will not vote on the Resolution unless:

- (a) the appointment specifies the way the proxy is to vote on the Resolution; or
- (b) the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Shareholders should note that the Chair intends to vote any undirected proxies in favour of the Resolution. In exceptional circumstances, the Chair may change their voting intention on any resolution, in which case an ASX announcement will be made and a Canadian disseminated press release will be made.

Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If any of the persons named above purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and those persons may be liable for breaching the voting restrictions that apply to them under the Corporations Act.

(e) RESOLUTION 7 – Approval of Salary Sacrifice Share Plan

To consider and, if thought fit, to pass the following resolution as an ordinary resolution:

"That, for the purposes of Listing Rule 7.2 Exception 13(b), section 257B of the Corporations Act, and for all other purposes, Shareholders approve the Salary Sacrifice Share Plan, a summary of the rules of which are set out in Schedule D to the Circular, and the issue of up to a maximum of 47,155,485 Shares under the Salary Sacrifice Share Plan, for employees or directors of, or individuals who provides services to, a Group Company, on the terms and conditions described in the Circular."

Purpose of the Salary Sacrifice Share Plan

The Directors considered that it was desirable to establish a salary sacrifice share plan under which persons who are an employee or director of, or an individual who provides services to, a Westgold Group company who the Board determines is eligible to participate ("**SSSP Employees**"), may be invited to acquire Shares in the Company between the value of \$1,000 and \$5,000 per annum by making salary sacrifice contributions from their pre-tax income and accordingly adopted the Salary Sacrifice Share Plan ("**SSSP**").

The SSSP is designed to strengthen links between the Company and its employees by inviting SSSP Employees to be part owners of the Company. The SSSP is designed to achieve this objective, by providing SSSP Employees with the opportunity to acquire shareholdings in the Company out of their pre-tax income, on the terms of the SSSP. The Company considers that Share ownership gives SSSP Employees the opportunity to benefit from the success of the Company as it works to create long-term shareholder value.

A summary of the terms of the SSSP is set out in Schedule D to this Circular.

The maximum number of Shares proposed to be issued under the SSSP following Shareholder approval is expected to be 47,155,485 Shares (equivalent to 5% of the number of Shares on issue as at the date of the Circular). The maximum number stated is not intended to be a prediction of the actual number of Shares that may be issued under the SSSP – it is simply a ceiling for the purposes of Listing Rule 7.2, Exception 13(b). Once this number is reached or after three years from the date of Shareholder approval of this Resolution, the Company will need to seek fresh approval from Shareholders if the subsequent issue of Shares is to fall within Listing Rule 7.2 Exception 13.

The Company is relying on the 602.1 Exemption in respect of this Resolution 6.

Shareholder approval requirements

Shareholder approval is sought under Listing Rule 7.2 Exception 13(b) and for all other purposes for the approval of the SSSP and the grant of Shares under the Westgold Plan.

Shareholder approval is required if any issue of Shares pursuant to the SSSP is to fall within the exception to the calculation of the 15% limit imposed by Listing Rule 7.1 on the number of Equity Securities which may be issued without Shareholder approval. Accordingly, Shareholder approval is sought for the purposes of Listing Rule 7.2 Exception 13(b) which provides that Listing Rule 7.1 does not apply to an issue of Equity Securities under an employee incentive scheme that has been approved by the holders of ordinary securities within three years of the date of issue.

Prior Shareholder approval will be required before any Director or related party of the Company can participate in the SSSP.

Section 257B(1) of the Corporations Act sets out the procedure for various forms of share buy-backs, including an "employee share buy-back". In order for the Company to undertake a buy-back of Shares under the SSSP (for example, if Shares held by a SSSP Employee become subject to compulsory divestiture in accordance with the SSSP) using this simplified procedure, the SSSP must be approved by Shareholders.

Information requirements under Listing Rule 7.2 Exception 13(b)

In accordance with the requirements of Listing Rule 7.2 Exception 13(b), the following information is provided to Shareholders:

- (a) a summary of the terms of the SSSP is contained in Schedule D to this Circular;
- (b) this is the first approval sought under Listing Rule 7.2 Exception 13(b) with respect to the SSSP and no Shares have been issued pursuant to the SSSP;
- (c) the maximum number of Shares proposed to be issued under the SSSP under Exception 13(b) to Listing Rule 7.2 following approval of this Resolution is 47,155,485 Shares; and
- (d) a voting exclusion statement has been included in the Notice for the purposes of this Resolution.

Consequences of passing the Resolution

If the Resolution is passed, the Company will be able to issue Shares under the SSSP up to the maximum number set out in this Notice. In addition, those issues of Shares will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1. In addition, any share buy-back undertaken in accordance with the terms of the SSSP will constitute an "employee share buy-back" for the purposes of the Corporations Act, enabling the Company to undertake a buy-back of Shares without the need for separate shareholder approval at the time of the buy-back, subject to any applicable limits imposed by the Corporations Act. This would apply to both Shares currently on issue and any Shares issued after Shareholder approval is obtained at the Meeting.

If the Resolution is not passed, the Company will be able to proceed to issue Shares under the SSSP, however the issue of those Shares will not fall within the exception to the calculation of the 15% limit imposed by Listing Rule 7.1 and therefore effectively decreasing the number of Equity Securities which may be issued without Shareholder approval. In addition, the Company will not be able to undertake a share buy-back in relation to the Shares for the purposes of the Corporations Act without obtaining separate shareholder approval for each buy-back.

The Company has no specific plan to undertake an employee share buy-back in relation to any Shares currently on issue, however Resolution 7 provides the Company the authority to do so in an efficient manner if it is necessary to do so in the future.

Voting Exclusions

The Company will disregard any votes cast in favour of the Resolution by or on behalf of:

- (a) a person who is eligible to participate in the employee incentive scheme; or
- (b) an Associate of those persons.

However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as a proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair of the Meeting as a proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides;
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not excluded from voting, and is not an Associate of a person excluded from voting, on the Resolution; and

- (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Further, a Restricted Voter who is appointed as a proxy will not vote on the Resolution unless:

- (a) the appointment specifies the way the proxy is to vote on the Resolution; or
- (b) the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Shareholders should note that the Chair intends to vote any undirected proxies in favour of the Resolution. In exceptional circumstances, the Chair may change their voting intention on any resolution, in which case an ASX announcement will be made and a Canadian disseminated press release will be made.

Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If any of the persons named above purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and those persons may be liable for breaching the voting restrictions that apply to them under the Corporations Act.

(f) RESOLUTION 8 – Increase in Directors' Fees

To consider and, if thought fit, to pass the following resolution as an ordinary resolution:

"That, pursuant to and in accordance with Listing Rule 10.17 and for all other purposes, the total maximum aggregate Directors' fees payable to non-executive Directors be increased from \$750,000 per annum to \$1,250,000 per annum."

Background

This Resolution seeks Shareholder approval for the purposes of Listing Rule 10.17 and for all other purposes, for the Company to be authorised to increase the maximum total aggregate amount of fees payable to its non-executive Directors from \$750,000 per annum to an aggregate amount of \$1,250,000 per annum.

The Board considers that it is reasonable and appropriate at this time to seek an increase in the remuneration pool for non-executive Directors for the following reasons:

- a result of the diversification of the Company over recent years, the Directors continue to review the size and composition of the Board. The increase in the remuneration pool will provide the Board with the ability to appoint additional directors with the requisite skills and experience as appropriate;
- the increase will ensure that the Company maintains the ability to pay non-executive Directors remuneration at levels commensurate with market rates and as necessary to attract and retain directors of the highest calibre.

The maximum aggregate fees payable to non-executive Directors have not been increased since 26 November 2021.

It is not intended to fully utilise the increased aggregate fees in the immediate future, however the Company wishes to provide sufficient flexibility to do so without the need to hold a further general meeting.

If this Resolution is passed, the maximum aggregate amount of fees that may be paid to all of the Company's non-executive Directors will be \$1,250,000 per annum. This does not mean that the Company must utilise the entire maximum amount approved for non-executive Directors' fees in each year. However, the Board considers that it is reasonable and appropriate to establish this amount to provide the Company with the ability to pay non-executive Directors and ensure their remuneration levels are commensurate with market rates to attract and retain Directors of the highest calibre.

If this Resolution is not passed, the Company will not be permitted to pay fees to its non-executive Directors which exceed the aggregate amount of directors' fees already approved by Shareholders as set out in this Notice (that is, \$750,000 per annum).

The remuneration of each non-executive Director for the year ended June 30, 2024 is detailed in the Remuneration Report.

Information required under Listing Rule 10.17

The Company provides the following information as required under Listing Rule 10.17:

- (a) the amount of the proposed increase is \$500,000 per annum;
- (b) the maximum aggregate amount of non-executive Directors' fees if this Resolution is passed will be \$1,250,000 per annum; and
- (c) no Equity Securities have been issued to non-executive Directors under Listing Rule 10.11 or Listing Rule 10.14 in the past 3 years.

Voting Exclusions

The Company will disregard any votes cast in favour of this Resolution by or on behalf of:

- (a) a Director of the Company (or, in the case of a trust, a director of the responsible entity of the trust); or
- (b) an Associate of those persons.

However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as a proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair of the Meeting as a proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides;
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not excluded from voting, and is not an Associate of a person excluded from voting, on the Resolution; and
 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Further, a Restricted Voter who is appointed as a proxy will not vote on the Resolution unless:

- (a) the appointment specifies the way the proxy is to vote on the Resolution; or
- (b) the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Shareholders should note that the Chair intends to vote any undirected proxies in favour of the Resolution. In exceptional circumstances, the Chair may change their voting intention on any resolution, in which case an ASX announcement will be made and a Canadian disseminated press release will be made.

Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If any of the persons named above purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and those persons may be liable for breaching the voting restrictions that apply to them under the Corporations Act.

(g) RESOLUTION 9 - Renewal of proportional takeover provisions

To consider and, if thought fit, to pass the following resolution as a special resolution:

"That, pursuant to and in accordance with section 648G of the Corporations Act, the existing proportional takeover provisions in the form set out in Rule 14 of the Company's Constitution are renewed for a period of three years commencing on the date of the Meeting."

Background

The Corporations Act permits a company to include in its constitution provisions (called takeover approval provisions) requiring that a proportional or partial takeover offer (i.e. an offer for less than 100% of the shares but for the same proportion of each shareholder's shares) be approved by a majority of shareholders, before it may proceed. In effect, the approval of Resolution 9 will enable the Company to refuse to register shares acquired under a proportional takeover bid unless than bid is approved by a majority of shareholders.

The Company's Constitution currently contains provisions dealing with proportional takeover bids.

Section 648G of the Corporations Act

The following information is provided pursuant to section 648G of the Corporations Act.

(a) Operation of the proportional takeover provisions

If the proportional takeover provisions set out in rule 14 of the Company's Constitution are renewed the registration of a transfer of Shares acquired under a proportional takeover offer will be prohibited unless an approving resolution is passed by Shareholders in the Company in the manner provided in rule 14 of the Company's Constitution.

The proportional takeover provisions do not apply to a full takeover bid for all of the Shares of the Company.

If the Company's existing proportional takeover provisions are renewed and a proportional takeover offer is subsequently made for Shares in the Company, the Directors must seek Shareholder approval by a majority vote to register transfers under the proportional takeover bid. The Shareholder approval can be obtained at a general meeting of Shareholders.

Those Shareholders who are entitled to vote at the general meeting are the Shareholders (other than the bidder and its associates) who are recorded on the register of members at the end of the day on which the first of the takeover offers under the proportional takeover bid is made.

The resolution must be voted on at least 14 days before the last day of the offer period under the proportional takeover bid. The resolution will be passed if more than 50 percent of eligible votes are cast in favour of the approval. If no such resolution has been voted on at least 14 days before the last day of the bid period then a resolution to approve the registration of transfers under the bid is taken to have been passed.

If the resolution is not passed by a majority of the shares voted, then the offer will be deemed to be withdrawn and registration of any transfer of shares resulting from the offer will be prohibited. Acceptances will be returned and any contracts formed by acceptance will be rescinded. If the resolution is approved, transfers of shares to the bidder will be registered provided they comply with the other provisions of the Constitution.

If renewed, rule 14 of the Company's Constitution will have effect for a three year period commencing on November 28, 2024.

(b) Current acquisition proposals

As at the day on which this Notice and Circular is prepared, none of the Directors of the Company is aware of a proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

(c) Advantages of proportional takeover provisions to Shareholders

Potential advantages to Shareholders of the renewal of proportional takeover provisions in the Company's Constitution are set out below:

- (i) The takeover approval provisions may enable Shareholders to act together and so avoid the coercion of Shareholders that might otherwise arise where they believe a partial offer is inadequate, but nevertheless accept through concern that a significant number of other Shareholders will accept.
- (ii) The takeover approval provisions may provide Shareholders with protection against being coerced into accepting a partial bid at a high premium where the bidder indicates its intention to mount a subsequent bid for the remaining shares at a much reduced price. This puts pressure on Shareholders to accept the initial bid in order to maximise their returns.
- (iii) If a partial bid is made, the takeover approval provisions may make it more probable that a bidder will set its offer price at a level that will be attractive to at least a majority of Shareholders.
- (iv) The body of Shareholders may more effectively advise and guide the Directors' response to a partial bid, and knowing the view of the majority of Shareholders may assist individual Shareholders to assess the likely outcome of the proportional bid and decide whether or not to accept an offer under the bid.
- (v) The takeover approval provisions may make it more probable that any takeover offer will be a full bid for the whole shareholding of each Shareholder, so that Shareholders may have the opportunity of disposing of all their Shares rather than only a proportion.

(d) Disadvantages of the proportional takeover provisions to Shareholders

Potential disadvantages to Shareholders of the renewal of proportional takeover provisions in the Company's Constitution are set out below:

- (i) By placing obstacles in the way of partial offers, the proposal may tend to discourage partial offers, thus reducing the opportunity for Shareholders to sell a portion of their holding.
- (ii) It is possible that the existence of the takeover approval provisions might have an adverse effect on the market value of the Company's Shares by making a partial offer less likely thus reducing any takeover speculation element in the Share price.
- (iii) An individual Shareholder who wishes to accept a proportional offer will be unable to sell to the bidder unless a majority of Shareholders favour the proportional takeover scheme (which may be viewed as an additional restriction on the ability of individual Shareholders to deal freely in their Shares).
- (iv) If a proportional takeover offer is made, the Company will incur the cost of calling a meeting of Shareholders.

(e) **Advantages and disadvantages of the proportional takeover provisions for the Directors**

Potential advantages and disadvantages to the Directors of the renewal of proportional takeover provisions in the Company's Constitution are set out below:

- (i) If the Directors consider that a proportional bid should be opposed, they will be assisted in preventing the bidder from securing control of the Company as the bidder will need a majority of votes to be cast in its favour by the independent Shareholders, before the bidder can succeed.
- (ii) On the other hand, under the takeover approval provisions, if a proportional takeover offer is received, the Directors must call a meeting to seek the Shareholders' views. They must do so even if the Directors believe that the offer should be accepted.
- (iii) At present, it is only the Directors who express any formal view on the adequacy or otherwise of a takeover bid, on behalf of the Company. Under the takeover approval provisions the most effective view on a proportional bid will become the view expressed by the vote of the Shareholders themselves, at the meeting.
- (iv) The takeover approval provisions may make it easier for the Directors to discharge their fiduciary and statutory duties as directors in the event of a proportional takeover bid.

(f) **Reasons for proposing the Resolution**

Having considered the advantages and disadvantages to Shareholders and the Directors, the Directors have decided to put this Resolution to Shareholders, to give Shareholders an opportunity to take advantage of the protections which the takeover approval provisions offer, if a proportional takeover offer is made.

(h) **RESOLUTION 10 – Appointment of Auditor**

To consider, and if thought fit, to pass the following as a special resolution:

“That, for the purposes of section 327B(1) of the Corporations Act and for all other purposes, Deloitte Touche Tohmatsu, having been duly nominated by a Shareholder of the Company and having consented in writing to act, be appointed as auditor of the Company (subject to ASIC consenting to the resignation of Ernst & Young as auditor of the Company).”

Background

Given the length of tenure of the previous auditor, Ernst & Young ("EY"), the Board considered it good corporate governance to rotate the audit appointment and sought proposals from leading audit service providers, following which the Directors proposed the appointment of Deloitte Touche Tohmatsu ("**Deloitte**") as auditor of the Company.

Deloitte has been duly nominated for appointment as the Company's auditor by a member of the Company, as required by section 328B(1) of the Corporations Act. A copy of the member's written notice of nomination is set out in Schedule E. Deloitte has given its written consent to act as the Company's auditor.

If the Resolution is passed and subject to receiving ASIC's consent to the resignation of EY, Deloitte will be appointed as the Company's auditor with effect from the conclusion of this Meeting or the date of ASIC's consent to the resignation of EY, whichever is later.

If the Resolution is not passed, the Company will need to appoint a new auditor other than Deloitte within one month after the vacancy has occurred in accordance with section 327C(1) of the Corporations Act.

Directors' Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 10.

SCHEDULE "A"

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

The following is a summary of Westgold's corporate governance disclosure required by Form 58-101F1 of National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101").

Board of Directors

The Board comprises eight directors, seven of whom are independent directors within the meaning of NI 58-101. Generally, an independent director means a director who has no direct or indirect material relationship with Westgold. For these purposes, "material relationship" means a relationship which could, in the view of the Board, reasonably interfere with the exercise of a director's independent judgment.

The Board reviews the independence of all Directors on an annual basis and Directors have an ongoing obligation to inform the Board of any material changes in their circumstances or relationships which may affect the Board's determination as to their independence. The Board has determined that Honorable Cheryl Edwardes AM, Mr. Gary Davison, Ms. Fiona Van Maanen, Mr. Julius Matthys, Mr. David Kelly and Ms. Shirley In't Veld are considered to be independent.

Mr. Wayne Bramwell is a non-independent director as he is an executive of Westgold. Mr. Leigh Junk will not be classified as an independent director as he was previously the Managing Director of Karora Resources Inc.

Honorable Cheryl Edwardes AM is the Non-Executive Chair of the Board. The Non-Executive Chair's responsibilities include, among other things: (i) leading the Board in reviewing and discussing matters; (ii) chairing Board meetings and general meetings of Westgold; (iii) ensuring the efficient organization and conduct of the Board's function; (iv) facilitating effective contribution by all members of the Board; and (v) monitoring the Board's performance.

The independent directors do not hold regular scheduled meetings at which non-independent directors and members of management are not in attendance. However, Directors having a conflict of interest in relation to a particular item of business must absent themselves from the Board meeting before commencement of discussion on the topic.

The Board considers that its current composition is appropriate given the current size and stage of development of Westgold and allows for the best utilization of the experience and expertise of its members.

The following table sets out the number of meetings of the Board held during the financial year ended June 30, 2024, and the number of meetings attended by each director:

Name	Number Entitled to Attend	Number Attended	Percentage Attendance
Honorable Cheryl Edwardes AM	27	26	96.3%
Wayne Bramwell	27	27	100%
Fiona Van Maanen	27	26	96.3%
Gary Davison	27	27	100%
Julius Matthys	27	27	100%
David Kelly	27	27	100%

Ms. Shirley In't Veld and Mr. Leigh Junk were appointed to the Board on August 1, 2024 and thus did not participate in any meetings during the financial year ended June 30, 2024.

Board Mandate

Westgold has adopted a Board charter, which sets out the principles for the role of the board of directors and governs the ongoing operation of the Board. A copy of the charter of the Board is available in the corporate governance section of Westgold's website at <https://www.westgold.com.au/>.

Westgold has also adopted a Board skills matrix, which details the mix of skills and diversity that the Westgold currently has or is looking to achieve. To ensure that the current Board provides the skills and experience required by the skills matrix, the Board will assess each Director's skills and experience and the current directors as a group, against the Board skills matrix from time to time. The Board will take account of the skills matrix and gaps or weaknesses in the skills matrix when applied to existing Directors and when filling any vacancies on the Board.

In accordance with the Board charter, Directors are expected to participate in induction or orientation programs upon their election or appointment, and any continuing education or training arranged by Westgold from time to time.

Ethical Business Conduct

The Board has adopted a set of values which are the foundation for how Westgold achieves its business objectives. Westgold's values are supported by the Code of Conduct and other key governance principles and policies which are approved by the Board. Westgold's values are available on its website at <https://www.westgold.com.au/>.

Westgold aims to maintain the highest standard of lawful and ethical behaviour in business dealings and to behave with integrity in all its dealings with all our stakeholders including Westgold Shareholders, employees, government, suppliers, traditional owners and the community. Directors and employees are expected to perform their duties in a professional manner and act with the utmost integrity and objectivity, striving at all times to enhance the reputation and performance of Westgold. The Board is responsible for setting the tone of legal, ethical and moral conduct to ensure that Westgold is considered reputable by the industry and other outside entities. This involves considering the impact of Westgold's decisions on the industry, its colleagues and the broader community. Westgold's Corporate Code of Conduct applies to all employees, individual contractors, consultants, managers and the Board, including temporary employees, individual contractors and directors of Westgold. Westgold's Corporate Code of Conduct is available on its website at <https://www.westgold.com.au/>.

Nomination of Directors

The Westgold Remuneration and Nomination Committee has the responsibility of, among other things, recommending to the Board, on an annual basis, nominees for election as directors for the next annual meeting of shareholders as well as nominees for appointment to committees of the Board. The needs of the Board are analyzed when vacancies arise and the Westgold Remuneration and Nomination Committee is responsible for recommending nominees who meet such needs. In reviewing

potential candidates, the Westgold Remuneration and Nomination Committee reviews the competencies of and skills of potential candidates against those that the Westgold Remuneration and Nomination Committee considers the Board as a whole should possess. This assessment involves the exercise of the Westgold Remuneration and Nomination Committee's independent judgment regarding potential candidate qualifications, skills and experience, with a view to the effective functioning of the Board.

The Westgold Remuneration and Nomination Committee is responsible for the establishment and facilitation of the induction program for new directors with all such information and advice which may be considered necessary or desirable for the director to commence their appointment to the Board. The members of the Westgold Remuneration and Nomination Committee are all independent directors. Refer to the Section titled "*Compensation Governance*" for further information regarding the Westgold Remuneration and Nomination Committee.

Compensation

One of the functions of the Westgold Remuneration and Nomination Committee is to make recommendations to the Board on executive and non-executive directors' remuneration. The Westgold Remuneration and Nomination Committee assesses the appropriateness of the nature and amount of remuneration of Non-Executive Directors and executives on a periodic basis by reference to relevant employment market conditions with the overall objective of ensuring maximum stakeholder benefit from the retention of high performing Directors and executive team. Refer to the Section titled "*Compensation Governance*" for further information regarding the Westgold Remuneration and Nomination Committee.

Other Board Committees

In addition to the Westgold Remuneration and Nomination Committee and the Westgold Audit, Risk and Compliance Committee, Westgold has also established the Westgold Sustainability Committee, which advises the Board on ESG risks and opportunities and manages Westgold's impact through policies and practices. The Westgold Sustainability Committee is led by Managing Director, Mr. Wayne Bramwell, and is supported by various committee members. A copy of the Westgold Sustainability Committee Charter is available on Westgold's website at <https://www.westgold.com.au/>.

Assessments

The Board, as a whole, is responsible for the arrangement of annual performance evaluations of the Board, the committees thereof, individual directors and senior executives as appropriate. The results of the assessment process are used to continually improve the performance of the Board, the Committees and each Director. The Board will also consider the feedback provided on individual Directors in making its recommendations with respect to Board nominees.

In assessing a Director's performance, the Board will consider a number of factors, including the Director's attendance record. While the Board has not adopted a formal policy on attendance, if a Director's attendance was low, and the Board believed it reflected a lack of commitment, this would be a reason for the Board to not recommend the nomination of the director to the Board at the upcoming annual meeting.

The Board regularly monitors its own performance, the performance of individual directors and committees. This occurs through an internally managed review process that is led by the Chair of the Board. The evaluation process incorporates available survey tools, one on one meetings between the Chair and each Director.

Prior to appointing any new Director, a review process is undertaken to ensure any new director's skill set aligns with Westgold's requirements at the Board level and its strategic plan.

During the relevant financial year, the performance of the Board and the Directors is regularly assessed by the Chair and appropriate feedback is provided. The Chair maintains open and honest communication with all of the Board members and committee chairs throughout the year. The Chair is responsible for the evaluation of the Board, its committees and its members on an informal and as required basis throughout the financial year.

Westgold also conducts annual performance reviews of its senior executives. The performance of the executive leadership team is evaluated by the Managing Director with input from the Board. The metrics and criteria applied to this evaluation are set out in Westgold's Annual Report for the reporting period which is available on Westgold's website at <https://www.westgold.com.au/>. The performance of the Chief Executive Officer (CEO)/Managing Director is evaluated by the Chair with input from the Board.

Westgold has completed performance evaluations in respect of the senior executives for the past financial year in accordance with the applicable processes.

Director Term Limits and Other Mechanisms of Board Renewal

Pursuant to the Westgold Constitution and Listing Rules, each Director, excluding the Managing Director, must retire from office at the end of the third annual general meeting following that Director's last appointment or three years, whichever is longer, and may seek re-election to the Board.

Westgold has guidelines for the appointment and selection of the Board in the Board Charter and the Remuneration and Nomination Committee Charter. The Board ensures appropriate checks (including checks in respect of character, experience, criminal record and bankruptcy history (as appropriate)) are undertaken before appointing a person or putting forward to Westgold Shareholders a candidate for election, as a director. These checks take place prior to putting forward a director to Westgold Shareholders for election at a general meeting or annual general meeting. The Board (operating under the Remuneration and Nomination Committee Charter) ensures all material information relevant to a decision on whether or not to elect or re-elect a Director (including biographical details, qualifications, the candidate's independence and a statement from the Board as to whether it supports the candidate's existing directorships (if any)) is provided to Shareholders in the notice of meeting containing the resolution to elect or re-elect the Director.

Policies Regarding the Representation of Women

Westgold has adopted a Diversity Policy which provides a framework for Westgold to establish and achieve measurable diversity objectives, including in respect of gender diversity. The Diversity Policy allows the Board to set measurable gender diversity objectives, if considered appropriate, and to assess annually both the objectives if any have been set and Westgold's progress in achieving them.

The Diversity Policy is available in the corporate governance section on Westgold's website at <https://www.westgold.com.au/>. Westgold is actively managing diversity as a means of enhancing Westgold's performance by recognizing and utilizing the contributions of diverse skills and talent from its employees. It is the Board's responsibility and objective to foster an environment within Westgold where individual differences are respected, employment opportunities are based on merit, skill and ability, and where inappropriate attitudes, behaviours and practices at all levels within Westgold and its subsidiaries are confronted and eliminated. Westgold did not set a measurable objective for gender diversity in FY23 in respect of the Board or executive officer positions. Westgold encourages diversity in employment and in the composition of the Board and executive officer positions, as a mechanism to ensure that Westgold is able to draw on a variety of skill, talent and previous experiences in order to maximize Westgold's performance. Westgold reports its gender metrics annually in its Sustainability Report. The Diversity Policy and FY23 Sustainability Report are located on Westgold's website at <https://www.westgold.com.au/>.

Unless and until the Options or Performance Rights have been exercised and the relevant Shares issued to that Participant as a result of that exercise, a Participant has no right or interest in those Shares.

13 **Ranking of Shares:** Shares issued upon exercise of the Options or Performance Right will rank equally in all respects with existing Shares, except for entitlements which had a record date before the date of the issue of that Share.

14 **Adjustment of Options or Performance Rights:** If, prior to the vesting of an Option or Performance Right, there is a reorganisation of the issued share capital of the Company (including a consolidation, sub-division or reduction of capital or return of capital to Shareholders), the number of Options or Performance Rights to which a Participant is entitled will be adjusted in a manner required by the Listing Rules.

15 **Clawback:** If the Board determines that:

- (a) a Participant (or Eligible Employee who has nominated a nominee to receive the Incentives) at any time:
 - (i) has been dismissed or removed from office for a reason which entitles a Group Company to dismiss the Participant (or Eligible Employee) without notice;
 - (ii) has been convicted on indictment of an offence against the Corporations Act in connection with the affairs of a Group Company;
 - (iii) has had a judgement entered against him or her in civil proceedings in respect of the contravention by the Participant (or Eligible Employee) of his or her duties at law, in equity or under statute in his or her capacity as an executive or Director of a Group Company;
 - (iv) has committed an act of fraud, defalcation or gross misconduct in relation to the affairs of that body corporate (whether or not charged with an offence);
 - (v) is in material breach of any of his or her duties or obligations to a Group Company; or
 - (vi) has done an act which brings a Group Company into disrepute,

then the Board may determine that all unvested Shares held by the Participant will be forfeited and any Options or Performance Rights held by the Participant will lapse; and

- (b) there has been a material misstatement in the Company's financial statements or some other event has occurred which, as a result, means that the relevant vesting conditions (if any) to an Incentive which has vested were not, or should not have been determined to have been satisfied, then the Participant shall cease to be entitled to those vested Incentives and the Board may:
 - (i) by written notice to the Participant cancel the relevant Options or Performance Rights for no consideration or determine that the relevant Shares are forfeited;
 - (ii) by written notice to the Participant require that the Participant pay to the Company the after tax value of the relevant Incentives, with such payment to be made within 30 Business Days of receipt of such notice; or
 - (iii) adjust fixed remuneration, incentives or participation in the Westgold Plan of a relevant Participant in the current year or any future year to take account of the after tax value of the relevant Incentives.

16 **Amendments to the Westgold Plan:** Subject to and in accordance with the Listing Rules, the Board may amend, revoke, add to or vary the Westgold Plan (without the necessity of obtaining the prior or subsequent consent or approval of Shareholders of the Company), provided that rights or entitlements in respect of any Option, Performance Right or Share granted before the date of the amendment shall not be reduced or adversely affected without the prior written consent of the Participant affected by the amendment.

The Audit, Risk and Compliance Committee (the **Committee**) has the responsibility and authority (subject to Corporations Act 2001 (Cth) requirements) to recommend to the Board the appointment, reappointment or replacement of the external auditor as well as evaluating its effectiveness and independence. The Committee will review the appointment of the external auditor annually based on its assessment of the auditor's performance.

Assessment of External Auditor

The Committee will review the performance of the external auditor on an annual basis after completion of the year end audit. In evaluating the effectiveness of external audit, the Committee will assess the effectiveness of the external auditor based on a number of criteria including but not restricted to:

The review and assessment will be carried out annually at the time the external auditor presents its annual audit plan.

Prior to this review, the Committee will request a report from the external auditor which sets out all relationships that may affect its independence, including the provision of non-audit services, financial relationships, employment and other relationships and any other matters that may reasonably be thought to have bearing on the external auditor's independence. The report should outline any safeguards that the external auditor has in place to reduce any threat to independence to an acceptable level.

Before the directors approve the half year and full year accounts, the external auditor will be asked to provide a declaration testifying to its independence in respect of the financial period in question. The external auditor will have a continuing obligation to notify the Committee, via the Company Secretary, of any new information it believes may be material to reviewing its independence.

The Committee has responsibility to develop and oversee the implementation of the Company's policy on the engagement of the external auditor to supply non audit services and to ensure compliance with that policy.

Rotation of External Audit Engagement Partner
